## **CRITERIA FOR DETERMINATION OF ELIGIBILITY**

**Montgomery County assures that no person shall be discriminated against on the grounds of race, color, national origin, sex, disability, age or low income status as provided by Title VI of the Civil Rights act of 1964, and the Civil Rights Restoration Act of 1987, be excluded from participating in, be denied the benefits of, or be otherwise subjected to discrimination under this program. Every reasonable effort will be made to insure non-discrimination.**

1. Each Plan requires a minimum investment of \$10,000.00 and shall also reflect a minimum of a \$10,000.00 or 10% increase in valuation for residential, commercial/industrial and agricultural classifications. Cost estimates of the proposed investment must be submitted with the application.
2. Construction of an improvement must have commenced on or after **March 1, 2022** (the effective date of enactment of the tax rebate program). Construction shall be completed within two (2) years from the date the application is approved. The year of incomplete construction will not fall under the revitalization rebate plan. The rebates will be in effect after completion of the construction.
3. The applicant shall be the deeded owner of the property listed on the application.
4. **Any taxpayer that is delinquent on any real estate or personal property tax payment, or special assessment, on any property located in Montgomery County, Kansas, shall not be eligible to participate in the plan. If a taxpayer is eligible to participate in the plan and thereafter becomes delinquent in the payment of such taxes or special assessments, the taxpayer shall not be eligible for any tax rebate under the plan during the year of delinquency or any future years; i.e, the taxpayer shall forfeit**

**eligibility for any additional rebates. Escrow payments causing delinquency will not be held against the revitalization requirements.**

5. Tax payment due dates are December 20<sup>th</sup> and May 10<sup>th</sup> of each calendar year, and taxes are considered delinquent if paid after those dates. Delinquency will not be held against taxpayer if excluded by the County Treasurer's Office. The County Appraiser along with the County Treasure will verify all taxes due and all denials will review all denied due to delinquent taxes.
6. Prior to the commencement of any construction, the property owner will complete the application. Applications must be received and approved prior to commencement of construction.
7. **Tax rebates are only applicable in the participating taxing units: USD #436, USD #445, USD #446, USD #447, Coffeyville Community College, Independence Community College, and Montgomery County. USD Capital Outlay taxes will be excluded pursuant to K.S.A. 12-17,115.**
8. Tax rebates will be based on the increase of appraised value due directly to the qualified improvements and/or new construction.
9. Appealing property value does not void the revitalization rebate plan. However, payment under protest will be reviewed pending results from Montgomery County Appraiser.
10. **The tax rebate is non-transferable. A sale or exchange of property to a new owner will cause the property to become ineligible for the tax rebate. Rebates will not be prorated for the year during which the sale or exchange occurred.**
11. **Any property owner receiving a Homestead Refund is disqualified for Neighborhood Revitalization and must be documented on the application.**
12. **Only one rebate application per project may be submitted. The rebate will be based only upon the increased appraised value attributed to the eligible improvement. For purposes of calculating the increase in the appraised value, a base value shall first be established by calculating the average historical appraised value of the parcel for the three (3) tax years immediately preceding the application for rebate. The increase in the appraised value shall be the difference between the base value established in the manner and the appraised value after the eligible improvement is constructed. Unique situations will be reviewed by the County Clerk and County Appraiser to establish base value.**
