bottom gate Post

Diagram showing a vertical line representing a post. At the top, it is labeled "Gate Hinge Post" with an arrow pointing to the top. At the bottom, it is labeled "Iron Pin" with an arrow pointing to the bottom. The post is marked with "X" at both ends.

Hand-drawn sketch of a star map on a grid background. The map shows a central point with several lines radiating from it. Labels include "11.2" at the bottom left, "23.5" at the bottom right, "75.2" at the top right, and "71.0" at the top left. There are also labels like "H4", "H3", "H2", "H1" along the left side, and "H4", "H3", "H2", "H1" along the right side. A date "6/16/37" is written at the bottom right.

A hand-drawn sketch map on a piece of fabric or paper with a grid pattern. The map features a central vertical line and several horizontal lines. Points are marked with 'x' and 'o'. Labels include 'col' near the top left, 'pipe' near the center, and numerical values '37.4', '36.3', and '37.7' near the center. The map is drawn on a piece of fabric or paper with a grid pattern.

IRON
PIN

A diagram showing a horizontal line representing a fence. On the left, there are three small circles labeled "hedge posts". To the right of these is a small square labeled "iron bar". A dimension line with arrows at both ends is positioned above the line, spanning from the first hedge post to the iron bar, and is labeled "24'".

1. pole

Diagram of a top fire plug. The plug is shown in cross-section with a central hole. Dimensions are indicated: 21 3/4" for the top diameter, 20 9/16" for the bottom diameter, and 3 3/4" for the central hole diameter. The label "Top Fire plug" is written below the diagram. To the right, the text "Cone. Stop" and "Sewer Top" is visible.

Hand-drawn map of the area around the intersection of S. Rail and Hwy 187. The map shows the intersection, a "Tol Pole" to the northwest, a "Guy Pole" to the northeast, and an "Elect." pole to the southeast. A "Main Line" is marked near the intersection. A "Swartz Bldg" is indicated by a box to the southwest. Distances are marked: 187 to the northwest, 187 to the northeast, 187 to the southeast, and 5.6 to the southwest. A note "Har sat 9 Km 9/9/41" is written near the intersection.
