A hand-drawn sketch of a road intersection. A horizontal road labeled 'Pr. Road' intersects a vertical road. The intersection point is marked with a red dot and labeled '5th stone'. Dimensions are given in feet: 23' from the intersection to the left on the horizontal road, 30' from the intersection to the right on the horizontal road, 20' from the intersection to the left on the vertical road, and 20.65' from the intersection to the right on the vertical road. There are also some scribbles and other markings on the sketch.
