This is to certify that I, H. F. Keller, Deputy Surveyor of Montgomery County Kansas, was ordered by G. P. Dalby, to survey and subdivide the North West 1/4 of Sec 6, Town 34 S, Range 14 E. The following parties were notified on May 14, 1904, that a survey of the above named Quarter Section would be made commencing on May 23, 1904. Parties notified J. C. Ryan, Lee Garr, Mrs M. E. Ross, Casper Blatfelter, G. P. Dalby, A. Mendenhall, and James G. Byers (through his Agt E. Foster.) On May 23, 1904, I proceeded to survey and subdivide the N.W. fractional 1/4 Sec 6, T. 34, R. 14, as shown by this plat. John Sharpless and H. F. Keller were selected as chainmen and duly sworn. Harry Tully acting as flagman. I found all the corners to the N.W. fractional 1/4 Sec 6-34-14 standing as recorded in permanent survey made in 1891 by S. L. Hibbard County Surveyor. I began at a stone, the center of Sec 6, and ran West on true line and at 1320' drove stake for temporary S.W. cor. of S.E. 1/4 of N.W. 1/4 Sec 6. Then went to the 1/4 Sec. cor. at S.W. cor. of N.W. fractional 1/4 Sec 6 and ran N 0° 56' W. and at 1320' drove stake for temporary N.W. cor. of Lot 5 Sec 6. At 2640' reached E + W. line 6' to S.W. cor. to Township 33 X 34 Range 13 X 14. Returned and corrected temporary N.W. cor. of Lot 5 Sec 6-34-14 by moving E. 3' where I set a sand stone 28" x 7" x 5" marked X for permanent N.W. cor. of Lot 5. Sec 6-34-14. Then went to center of Sec 6 and ran line north on true line and at 1320' drove a stake. From last named stake, I ran W. on true line to N.W. cor. of Lot 5 Sec 6 and at 1320' I set a sandstone 30" x 12" x 5" marked X for permanent N.W. cor. of S.E. 1/4 of N.W. 1/4 Sec 6-34-14. Then went to stake at temporary S.W. cor. of S.E. 1/4 of N.W. 1/4 of Sec 6-34-14 and set a sand stone 24" x 8" x 7" for permanent S.W. cor. of S.E. 1/4 of N.W. 1/4 of Sec 6-34-14. This completed the survey as ordered.

Done at Independence Kansas, June 4, 1904.

H. F. Keller, Deputy Surveyor of Montgomery Co., Kansas.
