

Geo. W. Crane & Co., Topeka, Kas.

This is to certify that St. F. Keller, Deputy Surveyor of Montgomery County Kansas, was ordered by H. Baden on Aug 23, 1904 to survey, plat and record a portion of NW 1/4 of Sec 4, Town 33 Range 16. Mr. H. Baden being owner of land affected by this survey and being also present at the beginning of survey no legal notice of survey were served. On Aug 23, 1904, I proceeded to survey a portion of NW 1/4 Sec 4-33-16 as shown by this plat. P. A. Short and E. H. Throsp were sworn and acted as chainmen. I began at Gov't stone at NW 1/4 sec cor on west line of Sec 4-33-16 and ran East on true quarter line 600' here marked x on stone a few inches below surface and set above it a limestone 24"x18"x5" marked x in stone mound for a permanent cor. I ran thence North parallel with west line of Sec 4-33-16 distance 600' marked stone x below surface and set above it a limestone 24"x12"x4" marked x, with stones around for a permanent cor. I then ran East parallel with South line of NW 1/4 Sec 4-33-16 and at 1904.5' set a limestone 20"x16"x3" marked x for permanent corner. I then ran North parallel with East line of NW 1/4 Sec 4-33-16 and at 1388.5' descended high Bluff at 1460.5' set a limestone 24"x14"x7" marked x for a permanent corner. I then ran N 80° 30' West and at 434' set a limestone 18"x10"x5" marked x for a permanent cor. I then ran N 84° 42' E. and at 466' set a limestone 18"x14"x7" marked x for a permanent corner. I then ran N 70° 30' E to center of Verdigris River. Thence northwesterly in center of Verdigris River to North line Sec 4-33-16. Thence west on north line Sec 4-33-16 and at 411.5' reached an old stone marked x at N.E. cor of an Eleven Acre tract. I then ran South parallel with west line of Sec 4-33-16, and at 870' reached old limestone marked x at S.E. cor of Eleven Acre tract. I then ran west to west line of Sec 4-33-16 distance 550.7' where I found an old limestone marked x at S.W. cor of eleven acre tract. I then ran South on true west line of Sec 4-33-16 and at 1867' reached 1/4 post on West line sec 4. The place of beginning. Computed area of above described tract is 106.26 acres, more or less.

Done at Independence Kansas Aug. 24, 1904.

St. F. Keller Deputy Surveyor of Montgomery Co. Kansas.
