

NOTE.—SCALE..... CHAINS TO THE INCH IS USED IN THIS DIAGRAM.

This diagram to be used in platting either one, four or sixteen sections. When used for one section only, scale No. 1 applies; for four sections, scale No. 2; and for sixteen sections, scale No. 3.

General Statutes 1889, § 180: "And no diagram shall be constructed to scale less than one inch to twenty chains."

This is to certify that I, S. D. Hibbard County Surveyor of Montgomery Co. Kansas was ordered to survey and establish certain corners in Sec. 26, T. 34, R. 16 E. All parties waived notice and signed the following agreement. Andy Stalk, Coffeyville Brick Co., Geo. Pfister, A. Harkins, Harkins Brothers. At the undersigned order the County Surveyor to survey forthwith our lands situated in Sec. 26, T. 34, R. 16 E. we waive all notices and order the work done as soon as possible (see names above) On June 9, 1905, I began the survey and established the south line of the north west quarter of Sec. 26, Township 34, Range 16 E. by putting a tall pole at the center of Sec. 26 and also a flag pole at the 1/4 post on the East line of Sec. 26, Town and Range as above adjusted my transit from the top of the bluff between the flag poles and had stakes driven along the line one on each bank of the Kendigis River. Mr. Harkins & S. D. Hibbard were selected as chainmen. I measured from the center of Sec. 26 (a stone) West on the 1/4 line 167 feet water edge of the Kendigis River, measured River from water edge to water edge on 1/4 line found it to be 169 1/2 feet, at 1320 ft. drove iron pin for the N. E. corner of the North 1/4 of S. 1/4 Sec. 26 at 1935 3/4 ft. drove iron pin at South West corner of 10 acre tract in N. 1/4 of said Sec. 26 at 1980 ft. set lime stone and drove pin for North West corner of the East 1/2 of the North west 1/4 of S. 1/4 Sec. 26. From the iron pin 1935 3/4 ft. west of center of Sec. 26, the South West corner of 10 acre tract, drove north 660 feet and drove an iron pin 4 ft. long as N. E. corner of 10 acre tract. I then ran East parallel with the 1/4 line at 436 feet center line of Kendigis River as the center line of the River ran in a South Easterly direction I made no correction on East line of 10 acre tract. This completed the survey on June 9, 1905.

Dated at Independence this 17th day of June 1905

S. D. Hibbard Co. Surveyor.

NOTICE—Surveyor's Permanent Record, State of Kansas.

Geo. W. Chase & Co., Printers and Binders, Topeka, Kas.

(Copyright, 1901, by H. A. Bailey, Topeka, Kansas.)

Kansas, 189.....

You are hereby notified that, at o'clock A. M., on the day of 189....., I will begin a survey on Section Town South, Range In which you are interested, and shall continue the same from day to day until completed. Commencing at the corner of said Section, I shall permanently establish

County Surveyor,

County, State of Kansas.
