

Geo. W. Crane & Co., Topeka, Kas.

This is to certify that in response to a call by A. H. Sherwood to survey Sections 11 and 12 T. 33 Range 12 to locate his corners that the following named parties were notified to meet with me at Sherwood place on Aug 20-1907 at 9 o'clock.

Whitford W. Gellard - H. Newton - Ed Merin - W. M. News - B. L. McKay - W. M. Matlock - W. R. Mosier
John Laddler - Mrs Minnie Surface - R. H. Hubbard - Lizzie Watts - A. H. Sherwood

The day being bad and rainy did not go till the morning of the 21st. on which day began survey

Briefly - located all points as follows - Began at stone at NE corner of Section 12 and run a direct line to standing post stone at SE corner of Sec 13. At 1320 feet placed stand stone 6x12x18 marked X for 1/4 post at 5280 feet measured fragments of old post corner and planted stand stone 7x14x21 marked IIIII on East side and III on South side - on top of same - This is 5277 1/2 feet North of SE corner of Sec 13

Began at NE corner of 12 and run West on a direct line to a post 1/4 post on North side of Sec 11. checked exactly with post measurement at 1320 feet down a gas pipe 1/4 corner at 2646 feet set down 4x6x24 marked 4 as 1/4 post. at 3969 feet down gas pipe as 1/4 corner at 5292 feet set sand stone 6x9x25 marked I on East side and III on South side as N. West corner of Section 12. at 1328 feet west of this corner down gas pipe as 1/4 corner This is 1328 feet East of 1/4 post above spoken of.

Began at N. W. corner of Sec 12 run a direct line to the S. W. corner of Sec 13 which was standing. At 1321 1/2 feet down a gas pipe as 1/4 post on West line of Sec 12. at 1/2 way or 5285 feet set a sand stone 5x12x24 marked I on East side and III on South side as corner to Sections 11-12-13 & 14. This is 5272 feet West of SE corner of Sec 12. and 5255 1/2 feet East of S. W. corner of Section 11 which was standing

Began at North 1/4 post on West side of Section 12. Run East on direct line to N. 1/4 post on East line of Sec 12. Set a gas pipe for as 1/4 corner every 1324 1/2 feet. Set a gas pipe in rail road embankment for a 1/4 post 1324 1/2 feet West of the N. 1/4 post on W line of Sec 12.

Chambers Painters Gellard and C. E. Shaffstall both survey.
