

Geo. W. Crane & Co., Topeka, Kas.

This is to certify that Mrs Mattie Gay called a survey to locate the line between her and the Kansas Land Co. she having sold an acre 60 acres (80 rods North and South $\frac{3}{4}$ 120 rods East and West) in the S.W. Corner of the N.W. $\frac{1}{4}$ of Sec 29-34-17. This $\frac{1}{4}$ section consists of Lots 1-2-7 and 8 of Section 29. The corner of the $\frac{1}{4}$ was standing also a recorded stone on the South line of Lot 7. This made only Mrs Gay and the Kansas Land Company interested. She was notified on Mar 9 that survey would be commenced Mar 19. But at Mrs Gay's house weather being bad adjourned till Mar 28. Proceeded as follows

Began at $\frac{1}{4}$ post on West line Eastward through $\frac{1}{4}$ post to S.E. Corner of Lot 7- 1576 feet set iron pin. Run thence Eastward towards Stone corner of Section 404 feet. Set iron pin. Run thence North parallel to West line of Section 1320 feet. Set iron pin. Run thence Westward parallel to S line Lot 2. a distance of 411 feet. Run thence Westward to Section line a distance of 1569 feet to and iron pin which I had set on Section line 1320 feet North of West $\frac{1}{4}$ post. This completed survey

Dated at Independence, Kansas April 27-1908

A.C. Gilliam Supt. Co. Surveyor.
