

This is to certify that A. G. Emphfield called for a survey to be made of the South East 1/4 of the South East 1/4 of Section 26 Town 33 South Range 15 East. Guy Smith and J. Jackson were interested and were served with notices to be at the South East corner of Section 26 on the 11th day of June 1912. I and the Deputy E. L. Richardson met those interested on the date called and there being no objections we done our own chaining. E. L. Richardson doing the transit work. We took a point from a stone at intersection of Sections 25-26-34-35. Chained West 1319.8 ft. to South West corner South East 1/4 of section 26. Town 33 Range 15. and set a sand stone 8x10x26" marked X. Thence North and parallel with East line of section 26 to an intersection of with 1/4 mile line and established a corner with a sand stone 8x10x36" marked X, marking the center of the South East 1/4 of section 26 town 33 South Range 15 East. This completed survey called for and all expenses were paid.

Recorded this 8th day of July 1912.

J. C. Ozis
County Surveyor.
