

FIELD NOTES OF SURVEY NO.

Hamilton & Co., Manufacturers, Topeka, Kansas.

PLAT SHOWING SURVEY OF BLOCK 15.

COFFEYVILLE,

KANSAS.

I, A.M. Parsons, do hereby certify that I did on the 14 and 22 days of Feb'y make a permanent survey of Block 15, Coffeyville, Kansas, that the above is a correct plat of same and the following a true description of said survey. I started at the C&F Post of Section 36, Township 34, Range 16, East, Run west on true line to Wt Post, and find the distance to be 2645.5 feet. I then drove stake on true line 1322.75 feet west of the C&F Post for Wt Post. I then went to the W.S. 7/8 corner [preserved by City], from this point I run north on true line to the Wt stake and find the distance to be 2642.5 feet. I set stake 1560 feet north on this line of the W.S. 7/8 Post for the north line of 4th St. I find that from the Wt stake south to the south line of 1st St. is 27.5 ft. and from the C&F Post south to the south line of 1st St. is 28 ft. I find that the west line of Block 15 is 778.66 ft. west from C&F on true line, at this point I find true line to be 26.25 ft. north of the south line of 1st St. I find that the west line of Block 15 is 778.66 ft. west of the C&F Post on true line and 648.26 ft. west of the center of the S.K.R.R. track on the south line of 1st St. and 396.34 ft. west from the center of the S.K.R.R. track on south line of Block 15, which I find to be 1060 ft. south of the point 648.26 ft. west of the center of the S.K.R.R. track on south line of 1st St. at which point I established the South West Corner of Block 15. I set my transit over the S.W. Corner of Block 15, turn my object line to a flag at 1560 ft. north of the W.S. 7/8 Post. I reverse, which gives me the true south line of Block 15. On this line 50 ft. east of the S.W. Corner of Block 15, I established the south corner of lots 8 and 9, at 100 ft. the south corner of lots 9 and 10, at 150 ft. the south corner of lots 10 and 11, at 200 ft. the south corner to lots 11 and 12, at 250 ft. the south corner of lots 12 and 13 and 294 ft. the south east corner of lot 13. I then turn my transit with the object line on a flag at point on south line of 1st St. 648.26 ft. west of center of S.K.R.R. track. 300 ft. north on this line I established the North West Corner of Block 15. I then set transit over the N.W. Corner of Block 15, turned object line east on a parallel with the south line of Block 15. On this line 50 ft. east I established the north corner to lots 7 and 6, at 100 ft. the north corner to lots 6 and 5, at 150 ft. the north corner to lots 5 and 4, at 200 ft. the north corner to lots 4 and 3, at 250 ft. the north corner to lots 3 and 2, at 300 ft. the north corner to lots 2 and 1 and at 363.9 ft. the north east corner of lot 1.
